

Preparing for marriage & relationships

2025 Pre-marriage education programs building strong relationships

"The course highlighted how important it is to acknowledge differences as strengths. I have learned that my core values are family and trust and this is something I want to bring into my marriage and family life."
- Partnerships participant

FOCCUS Private Sessions

FOCCUS is an inventory program, allowing couples to explore their strengths and challenges and the future they want to build, over three 50-minute sessions with a professional relationship educator.

Online and in-person options available.

- Cost per couple: \$370
- Concession cost: \$320

Please call 1800 123 228 to book.

Partnerships Group Workshops

Explore your relationship strengths and differences, learn new skills for growing your friendship and develop a shared vision for your future together.

A one-day program on Saturdays, (9:30am to 5:00pm) run by trained relationship educators.

- Cost per couple: \$340
- Concession: \$320

Please book online:
